

## **Tatjana Samopjan**

Tatjana Samopjan is a creative consultant, speaker and coach specialising in development of TV series, movies and documentaries. She is the founder of Fractal Volcano, a development agency with team members in Sweden, England and Germany. Tatjana has worked with ACE Producers, EAVE, European TV Drama Series Lab, Flanders Audiovisual Fund, Gothenburg Film Festival, Entertainment Master Class, Helsinki Script, The Netherlands Film Academy, International Film School Cologne, University of Television and Film Munich, SerienCamp and many others.

Previous experience includes roles as Head of Development at Palladium Fiction, a Stockholm-based production company and story editor at SVT Drama. As a member of several European advisory boards Tatjana is involved in financing new projects.

Tatjana's original keynotes and lectures have been well-received all over Europe. They show unusual connections between life and drama. In recent years her explorations of contemplative traditions have informed and deepened her way of working with storytellers.
